SPEC.	prijs per stuk			
€ 85.000,00	totaalprijs		prijs is:	
code a-31			exclusief	transport
Omschrijving	CAT A	ZH-C	exclusief	BTW

31 CRYOGENIC TANKS

We have a number of cryogenic tanks available for immediate supply. These tanks are used as gas storage containers but due to their excellent insulating capacities and high quality materials the tanks can be used for a number of gas-or liquid storage applications. In general the tanks are in "good condition". The necessary test certificates for gas storage are no longer valid but can easily be re-certified.

Prices are excluding	VAT
	Customs and Duties
	Transports
Additional costs	Removal of Logo will be charged "at cost" + 10% Handling Fee
Prices are valid	At closed order if line items are bought seperately prices will raise + 10% per line item.
	For a period of 60 days starting 13-09-2006
	Subject to prior sales
Goods are sold	"As is Ware Is"
	Applicable to our deposited general terms and conditions wich includes a limitation of liability
